860-886-1265 FMS78@aol.com

Format: Written test, regular question rounds, hands-on stations and team questions are definite. There's also a possibility that we will have a horse on the grounds for knowdown in the barn questions - if that occurs, then helmets and paddock boots are required. We will call each team captain prior to the competition to clarify this requirement. If you have very young competitors that might need a scribe - please indicate that on the entry form.

C's - if anyone wants to earn unmounted teaching hours by designing or running a station, please contact us- A to Z - there are many exciting topics!!

Directions: GET TO ROUTE 2 towards Bozrah. YES -we're on the map!!

Then:

Heading EAST on ROUTE 2 - take exit 23. At the end of the ramp, turn left (Bozrah St. Ext.). The school will be about a mile down on the right. Careful - several sharp corners.

Heading WEST on ROUTE 2 - Take exit 24. At the end of the ramp go right. Go about a mile and you'll pass the post office on the right and a gas station on the left. The road forks just past that - bear left in between 2 churches - you'll see the school on your left.

CT Valley folks - some of you might find it shorter to take 156 to 82 to 163. Follow 163 to the end in Bozrah, (DON'T get on the highway ramp!) bear right past the pond. The school is just up the road on the right.

Volunteers: will be needed to escort, score & time. Please have 1 or 2 volunteers per team willing to help for part of the day! Thank you!!

Don't forget - Pony Club Pins, desserts to share, current Medical Release forms!!
