C3 Candidate Lesson Form

Name _____ Club _____

This form is to document the instruction of the candidate by a C3 or National Examiner as part of the requirements for the C3 testing. Instruction by the examiner is in addition to, and apart from, attending the prep clinic.

A minimum of one lesson is required by the region. The lesson must emphasize mounted work both on the flat and over fences* as per the C3 Standard with time allowed for bandaging and longeing practice. Ideally, examiners will also have an opportunity to teach candidates in the areas of conformation, lameness, veterinary knowledge, tack, ect. It is to the candidate's benefit to receive as much additional C3 level instruction as possible.

*See the C Manual and Standards for specifications.

Below is a checklist for examiners to indicate material covered during the lesson(s).
