Musical Freestyle Seminar ***April 9, 3:30***

Fox Ledge Farm is pleased to offer a Musical Freestyle Seminar for the CT Valley Pony Club with Ann Guptill. The seminar will begin with a lecture/discussion of the Components of Musical Freestyle. This discussion will include musical selection, tempo/gait analysis, choreography and Freestyle Rules & regulations and will run about one hour. This is the information needed to design and create a Freestyle from scratch!

Freestyle Demonstrations of FEI level rides will follow. Both riders who have volunteered to demonstrate are currently competing their horses at Prix St. George and Intermediate I and have chosen dynamic music for their rides! Stay after the demonstrations for a Pot Luck Supper and videos of World Cup and Olympic Freestyle Rides!

Ann Guptill is a USDF Certified Instructor and USPC graduate A. Ann has served on the USPC Dressage Committee and chaired the USDF Freestyle Committee from 1999-2004. Equestrian Arts Productions has produced top freestyle rides at all levels and in 2004 produced the USDF video Freestyle Fundamentals.

The cost for the seminar is \$25 non-member and \$20 for Pony Club, CDA & CDCTA members. Current membership cards must be shown!

Please register in advance so we can plan the food service! Walk-ins are welcome as well. Call Fox Ledge Farm at 860-873-8108 or email Ann at eqarts@snet.net.
