Parents: We do these sleepovers at FMS for scouts, science fair, reading incentives and now pony club!! It's a BLAST!!! I need the following help from parents:

1.Chaperones: At least two more **SVPC** adults with me supervising at all times. You can sleep over or several parents can swap off shifts. We can't have the event without this coverage guaranteed.

Every **guest club** must have at least ONE parent on the grounds at all times. The med releases for your club are your responsibility.

2.SVPC volunteers to cover registration at 5PM, several to organize, supervise & cleanup the pizza session at 6:00 (I will be setting up activities in other areas & need the dinner session covered), several to get breakfast set-up at 7-8AM

3. Several extra parents from SVPC or any of the clubs to help with cleanup 8-9:30AM.
